Manager's Desk

Steve Graham

March 23 rd is fast approaching. It's a Saturday. Why does that matter? Because that is the day of the Bayshore Membership Meeting. Typically the biggest event is the election of the new board. Everyone has gotten their "first notice" envelopes by now and buried them on the side table under a magazine or two. These notices included the intent forms and information forms for all of those wishing to run for the board with the deadline of intent being Feb. 11 th . The February Board Meeting has been scheduled for Tuesday February 12th , allowing all the starry eyed lovers in the world their Thursday Valentine's evening free to indulge in Cupidian target practice.

Immediately following the Board Meeting will be a Meet and Greet of all those running for the board. Expect a lot of smiles and handshakes and they may even kiss your baby!

We are starting to button up some smaller projects around the house. The rear fence along the seawall has been given temporary reinforcement by Robert who is leading the maintenance department. The warped door and frame in the pit of the garage to the pump room is slated to be replaced.

The trash rooms and laundry rooms are now on our hit list. They will be painted as needed. These will be done floor by floor and I believe a good time estimate for completion is 7 to 8 weeks. If the sign says wet paint, well, the paint will probably be wet. Heed the signs or your clothes will face the peril of periwinkle latex wall coating. (Oh my gosh! You had to go there! No we are not using periwinkle paint. ☹ not that there's anything wrong with that.) If you have a joke these days I guess you have to have a pc disclaimer???

Moving on. I wish everyone would consider what part they would like to take in this upcoming year. What committee would you like to serve on? What can you bring to the table? Most of the time what we need is the willingness to serve. The willingness to voice an opinion and to simply participate is often all it takes to become an important part of the process. Come to the board meetings and take part, they can be colorful events, I have even been known to turn red once or twice, but I'm much better now. Seriously, I am going to be contacting all owners who use the Payclix service. We are no longer going to be supporting this method of payment. If you use this

Monday, February 11, 2019
Deadline to submit
Letter of Intent
to run for
2019 Board of Directors of
The Bayshore Condominium

Culinary Arts
Bring your favorite recipes
and/or cook books.
February 2, 2019
Bayshore Pub
10:00 a.m.

Art Adventure

Join residents and area neighbors in the Bayshore Pub for the next meeting of **Art Adventures** at 10:00 a.m. for our one hour discussion. Remember, this group is intended for creative people of every type that value and appreciate the arts and humanities--and being with other people so inclined.

Manager's Desk

(Continued from p. 1)

We are no longer going to be supporting this method of payment. If you use this service please start the process of separating your Bayshore activities from it. I am planning on phasing it out completely by April. For other options please contact me in the office and I will do my best to help. The Cox Cable Re-wire has been scheduled to start and should be mostly complete by the end of February. If you are having any problems with your service please let me know we have a very responsive customer service team there. Enjoy!
