Personal Background: I spent the majority of my career in education, first as an English teacher and later as a Guidance Counselor. I have spent my entire adult life in Pensacola and have always been involved in community service, usually in leadership positions. I have also been very active in Christ Episcopal Church and continue to serve there in several capacities. I consider myself very lucky to have both my adult children, Cathy and Cliff, living in the Warrington neighborhood. I also have two wonderful grandsons, Jack and Ben, who have spent a great deal of time with me at the Bayshore. I love to travel, dine out, go to the theater and am constantly in search of adventure!!!

Prior Condominium Experience: My parents moved into the Bayshore before it was converted to a condominium. Since they were active members of the Bayshore community, I was aware of owners' concerns back then. Later, my daughter returned to Pensacola after a career in Atlanta, and bought a unit here. She and her husband built a home nearby, but 16 years ago I bought a unit myself at the Bayshore. The major concerns have not changed much - everyone just wants to be sure he or she has a voice.

Comments on Board Candidacy: I am very interested in our community and have an open ear to the opinions of other Bayshore residents. I think it is important to listen to the opinions of others who are also shareholders in our beautiful and gracious home that Ouida Baggett Regan envisioned when she built it over 50 years ago. I am a collegial team player on the board and am constantly aware that I represent other owners and their concerns about their home above all else.
